

CEO, Techno India Dama Hospital
Bidhannagar, Sector- IV, Kolkata-700098

Respected CEO,

I am writing to inform you of my resignation from the position of nursing staff of OT at Techno India Dama Hospital. My last date of work will be January 30, 2023.

As I am not satisfied with this job it became difficult for me to adjust with my colleagues. Even though I asked for one day sick leave they refuse to give any leave and instead assign me with more shiftings. For these reasons I would not be able to work in your hospital. So I would like to resign from my position.

I thank you for the training and opportunity to grow my knowledge in my nursing career. I wish all the residents and staff good luck in the future.

Sincerely,
Mahasweta Ghose
Nursing staff of OT
